

AS5160 / AS5160T

Take a walk on the clean side

- scrubber dryers designed to push productivity

Reliable, simple and powerful

PART OF THE NILFISK GROUP

Control panel with intuitive display and buttons

Water level indicator with volume visible on the tank

Easy to maneuver and transport: Big wheels and strong casters, making the machine well-balanced

AS5160/AS5160T

Designed to secure a continuous high cleaning performance

- for the user, most of the work will be like a walk in the park

An affordable and attractive choice for cleaning in hotels and restaurants, bus and train stations, factories, supermarkets, shopping malls, hospitals, schools, and other institutions.

The Viper AS5160 and AS5160T are highly productive walk-behind scrubber dryers with battery endurance and tank capacity to clean for hours. Being easy and comfortable to use with their ergonomic design, these robust machines are ready for an in-depth performance on indoor surfaces.

With a working width of 51 cm and a powerful 450 W brush motor, these machines will get the job done with both speed and ease. Especially if you go for the model AS5160 T – for Traction – equipped with a 150 W drive motor bringing the scrubber dryer forward. Hours of cleaning are ensured by the 61 liter capacity of both water tank and recovery tank – and the power packed 2x12 Volt batteries.

The machines are well-balanced and easy to maneuver thanks to their big wheels and strong casters. Hour meter and water level indicator will keep you updated, and the speed reducing gear drive system of the Traction version ensure smooth operation with a minimum of effort. When it's time to empty, refill and clean the scrubber dryers, all handling can easily be carried out, saving time and costs.

- Efficiency: Working width 51 cm
- Brush and pad driver can be installed/un-installed automatically
- Hour meter: Check how many hours the machine has been running
- High capacity for increased productivity: 61-liter water tank / 61-liter recovery tank
- Robustness and solidness: Steady chassis system and rotationally molded tanks
- Reliability: Heavy duty 79 cm aluminum squeegee

Easy and convenient operation: 2 pcs safety switches

Easy and comfortable to use

- ready for an in-depth performance on all indoor surfaces
